G.O.No.3942

Dated the 30th September 1953.
Read the following:--

G.O.No.623 Public Works dated 14-2-1953.
From the Chief Engineer (Irrigation--II) No.4016/53.-1
dated 25-9-1953.

-1-

Order:-

In G.O.No.623 Public Works dated 14-2-1953, the Government sanctioned the continuance till 31-3-1954 of the T.R.S. Sub-division, Bellary, Anantapur Circle, Public Works Department, with the following staff for investigation of T.R.S. works in the Bellary District:----

One Assistant Engineer.
Five Supervisors.
One Lower Division Clerk.
One Draftsman, III Grade.
One Tracer
and Seven Peons.

The total number of Tank Restoration Schemes proposed for investigation in the entire Bellary District is 202, out of which 54 schemes lie in the eastern taluks of Adoni, Alur and Rayadurg of the district, which will form part of the Andhra State on 1-10-1953. All the 54 schemes will be completed before 1-10-1953. Out of the balance of 148 schemes, all of which lie in the seven western taluks of the district which will be transferred to the Mysore State with effect from 1-10-1953, only 3 schemes have been completed. Adoni and Rayadurg sections of the Bellary Sub-division, Public Works Department were also transferred tournool and Anantapur Sub-divisions respectively in the Andhra Area. The Chief Engineer has proposed therefore that the investigation of the remaining 145 schemes in the western taluks of the Bellary District may be entrusted to the Bellary Sub-division, Public Works Department, attaching to it four Supervisors, four peons and one tracer with effect from 1-10-1953, out of the staff of the T.R.S. Sub-division, for attending to the works and that the T.R.S. Sub-division may be wound up on 30-9-1953 afternoon with the remaining staff of one Assistant Engineer, one Supervisor, one Lower Division Clerk, one Draftsman, third grade and three peons.

2. The Government have approved the Chief Engineer's proposals.
